Fee Amount:
\$320.00

Code Number	Description of Violation	Correct By
3-602.11	Frozen tilapia for sale does not have appropriate label. Products must be labeled with manufacturer name, address, and phone number.	11/2/2012

Notes:

Products for sale do not have the appropriate label. Label must include manufacturers name, address, and phone number. The name and phone number (not the address) of the convenience store is on some of the products for sale. The convenience store is not the food product manufacturer, therefore the label is incorrect. If the product is being repackaged at the store that practice must immediately stop as this location is not licensed to process food. Failure to comply by correct by date will result in a closure of the establishment.
